

Beginners: e-Life: Shopping Online (1)

Shopping on Amazon

1. Open the Web browser (Internet Explorer)
2. Click once anywhere in the **Address** bar, press the **<Delete>** key and type www.amazon.co.uk
3. Press the **<Enter>** key or click on the **Go** button. This will display the Amazon website's Homepage.

Most websites offer some **Help** pages for first time users on their website, some help pages are better than others.

4. Click on 'How to Order' as highlighted above.
5. This gives you a **Step by Step Guide to Ordering** on Amazon.

Find the item

There is a **Search** box on every page displayed on Amazon.

1. Type your keywords in the search box to find the item you are looking for. For example, type the keywords **who wants millionaire game** into search box.
2. Click on the **Go** button.

This will display a list of relevant products.

3. Click on the **underlined link** for more information on a product.

4. If you are happy with your selection, click on the **Add to Shopping Basket** button. You can then continue shopping by searching for more items and adding them to your shopping basket.
5. To check what items you have added to your shopping basket, click the **View Basket** button at the top of the page.

6. You can remove any item from your basket before you proceed to the **Checkout** and pay. You will need to have an email address to order online.
7. On the right hand side, there is a **Ready to Order?** panel. When you wish to place your order, click on **Proceed to Checkout**.
