## BBC RaW

Reading and Writing (RaW) is a campaign where libraries are working in partnership with the BBC to help to improve the literacy skills of the nation's 12 million intermediate readers, between the ages of 24 and 54. The campaign is encouraging viewers and listeners of the BBC to test their skills levels and seek help if required from the RaW website [www.bbc.co.uk/raw](http://www.bbc.co.uk/raw)

All libraries across the UK are taking part in the three year campaign - look out for posters and events in your local library!
